Quarterly Newsletter

Greetings Friends!

As we enter the 4th quarter of this very strange year, I keep thinking of a quote from Winnie the Pooh's sad, little friend, Eeyore, "It never hurts to keep looking for sunshine." We are blessed at Path in so many ways, so rather than listing challenges that non-profits are facing right now, let's focus on the sunshine! We are **STILL** open and serving women in need! Our staff and volunteers continue to be healthy, willing and able to be at Path for our clients. Finally and most importantly, God's daily provisions are endless. Path continues to be financially stable. We thank God everyday for our community of supporters and 'surprise gifts' that have been given to our organization. We were also blessed with another grant through the Laura Moore Cunningham Foundation specifically for our Childbirth Education Program. Path is currently the only 'in-person' provider for childbirth classes right now in the valley. Great lengths have been conquered to make that possible through safety protocols. With this grant we can provide our clients, and other women in the community, confidence in their upcoming childbirth and caring for a newborn. Classes that are open to the public based on available seating will be listed on our [website](#).

Is it all sunshine? No, but we have hope, faith, and God's promises. Prayer and praise goes a long way in keeping our eyes on Him.

*Great is Thy faithfulness! Great is Thy faithfulness!
Morning by morning new mercies I see;
All I have needed Thy hand hath provided—
Great is Thy faithfulness, Lord, unto me!*

Wishing You Sunshine,

Programs Update

Post Abortion Group and Sexual Integrity Education:

Churches throughout the valley are trying very hard to get back to their 'normal'. We understand that pushing a new program on our timeline isn't going to work. God's timing is perfect and 2020 doesn't seem to be the year for new, in-person group meetings. Requiring masks and sitting six feet apart when trying to connect on a deeper level isn't setting these relationships and programs up for success. Please watch for more information on both of these programs to launch in 2021. In the meantime, we will continue to be a safe place for women to talk about these issues and receive resources that will help them.

If you belong to a church that may be interested in sharing our program information please call our office at 208.384.9504.

MEET PAT

My greatest accomplishment has been raising three wonderful kids as a single mom in Washington state. I now am privileged to enjoy five grandchildren.

My involvement and passion for life issues includes organizing and participating in different Pro-Life activities. After moving back to Boise, I have continued my passion of Life by volunteering as a receptionist for Path.

Life is not the "only" issue of our time, but it is the preeminent issue, upon which all other issues depend.

FUNDrive Success!

Thank you to everyone that donated soft goods to our FUNDrive! We were able to raise over \$500 for the clinic. Even with the pandemic and MANY delays, we were able to turn in our items on August 15th. We would love to make this an annual Spring fundraiser. Thank you in advance for setting your old clothes aside for Path!
